Pertini will live forever in Italian people's hearts.

U.I.L.S. and CE.S.P. announce an award in his honour to all the young people he loved more than his life.

The award consists in a **book on Pertini for all participants, in the amount of 500 euros for the 1st classified, and in a commemorative plate for the 2nd classified.** The most deserving ones will be introduced in the UILS Proposal newsroom. Those rewarded will be promising young people who, with their work, want to remember and continue to follow the political path as well as modernising the honourable figure of Sandro Pertini, who gave Italy lustre in the world and who, while feeling proud of being an Italian citizen, at the same time considered himself a citizen of the world. Thus, U.I.L.S. and CE.S.P. address young people in order to encourage their participation in politics, so as to ensure genuine and firm justice for the most deprived citizens, with due regard for human dignity. This was the wish of which Pertini was an interpreter for looking at the new generations. And this will be the path that U.I.L.S. and CE.S.P. will support and promote with the aim of giving space to new talents. The most brilliant and deserving papers/videos – that critically develop the importance of young people's role in politics according to Sandro Pertini's ideals – will be awarded. For this reason U.I.L.S. and CE.S.P. promote and support the Pertini Award, on the occasion of the anniversary of his birth and of the constitution of the Movement, which took place on the 25th of September. The award will be given in occasion of the event organised for the anniversary.
